- **Impressive Performance:** Featuring a powerful and robust Quad-Core CPU -- MT6580 Cortex A7, Yuntab K107 tablet provides the most speedy experience with minimum consumption for multi-tasking: gaming, watching video, listening to music, etc. What's more, video streaming is much faster with H.265 decoding.
- **Brilliant Display:** The 10 inch IPS Display with 1280*800p will never miss any detail. Sharing the big screen with families is much more enjoyable via the 178-degree view angle. The consistent and accurate colour will not disappoint you.
- **Multi Function:** inserting a SIM card strengthens your tablet as a phone. Wi-Fi (802.11a/b/g/n) keeps you connected to hotspots. Built-in Bluetooth allows pairing with Bluetooth devices. It even could power up other device via the Standard USB port.
- **Unlimited Entertainment:** Pre-installed Google Play brings you to the world of entertainment, tons of Apps for gaming, social, sharing are available, such as Facebook, Twitter, Netflix, Instagram, etc. Equipped

with a 2.0MP rear camera and a 0.3MP front camera with auto focus, K107 lets you take photos and video chat with friends and family members.

- Unlocked 3G Phablet:Works on 3G network (850/2100Mhz) and 2G network(850/900/1800/1900 Mhz), designed with dual SIM card slot to enable you to use it like a smart phone.Please confirm your SIM card frequency before you purchase.Kindly Tips: Please do make sure the tablet is closed when you install or take the sim card or TF card out.

Warranty & Support

Amazon.com Return Policy: You may return any new computer purchased from Amazon.com that is "dead on arrival," arrives in damaged condition, or is still in unopened boxes, for a full refund within 30 days of purchase. Amazon.com reserves the right to test "dead on arrival" returns and impose a customer fee equal to 15 percent of the product sales price if the customer misrepresents the condition of the product. Any returned computer that is damaged through customer misuse, is missing parts, or is in unsellable condition due to customer tampering will result in the customer being charged a higher restocking fee based on the condition of the product. Amazon.com will not accept returns of any desktop or notebook computer more than 30 days after you receive the shipment. New, used, and refurbished products purchased from Marketplace vendors are subject to the returns policy of the individual vendor.
